Give what you can, not what you can't

We recognise that these are challenging financial times for millions in our country. Our churches alongside many other charities are also facing challenging financial circumstances. As we continue to support our communities and facilitate new ways of worshipping safely together, we continue to see a significant reduction in our income.

We are developing simple online forms of giving,
For St. Mary's: to give £5, £10, £20 or £50 please use this link:

<https://st-marys-church-eversley.sumup.link>

For St. Barnabas: to give £5, £10, £20 or £50 please use this link:

You may also consider giving online via BACS (banking details are available from our clergy and treasurers) and particularly via the Parish Giving Scheme, which now has a phone service: 0333 002 1271. For more details:

Many people are trying to shop online this Christmas. Because St. Mary's is a charity it is able to benefit from you using Easy Fundraising, and Amazon Smile without it costing you anything when you select the appropriate charity. There is more information via www.easyfundraising.org.uk/causes/stmaryseversley/ and <https://smile.amazon.co.uk/ch/1128040-0>
